

The Gerfolia® is the newest spectacular introduction and addition from Terra Nigra to the Gerbera segment. On wednesday evening, october 10th, the official introduction of this gerbera with foliage will take place at our house show during the Hortifair. It will be a great social evening filled with live music and a visit from one of Holland's most famous celebrities. We would like to invite you to join us for this celebration. For more information please visit our website at: www.terrannigra.com

The power to surprise!

First there was the Germini®...  ...then came the Gerrondo®...  ...and now the Gerfolia®
